# STRENGTH. POWER. RESULTS!

The Exterior Surface Restoration, Cleaning and Maintenance Products Trusted By Contractors Worldwide

## F9 DOUBLE EAGLE™

### Cleaner/Degreaser & Neutralizer

Hence the name, F9 Double Eagle serves a "Double" purpose. It works great on Dumpster Pads, Loading Docks, Gas Stations, Parking Garages, and just about any Hard Surface. A very safe, fast and efficient product, F9 Double Eagle can cut your dwell times down to as little as 5 minutes and clean heavy oil stains in just one pass!

#### ADVANTAGES:

- Cleans heavy soils and oils
- Works quickly with fast dwell times
- Neutralizes acidic products

#### IDEAL FOR:

- TIRE MARKS
- GREASE & OIL STAINS
- FOOD STAINS
- HYDROCARBONS
- GENERAL SURFACE ACCUMULATIONS and much more!

#### AVAILABLE IN:

1 gal, 4 gal case, 5 gal pail, 55 gal kit

## F9 EFFLO™

### Efflorescence & Calcium Remover

A user-friendly, full 31.45% strength muriatic acid replacement, F9 Efflo combines a pleasant smelling buffered acid along with an excellent soaping capability to work better at lower concentrations. It gives the user the advantage of a full strength product while greatly reducing fuming and corrosion, improving the overall health and safety risk profile.

#### ADVANTAGES:

- Buffered, won't flash rust equipment
- Low fuming, inhibited product
- Short dwell time

#### IDEAL FOR:

- CALCIUM CARBONATE
- CALCIUM
- MINERAL STAINS
- ETCH MARKS
- EFFLORESCENCE
- COPPER STAINS,
- MUD/RED CLAY STAINS and much more!

#### AVAILABLE IN:

1 gal, 4 gal case, 5 gal pail, 55 gal drum, 275 gal tote

## F9 BARC™

### Battery Acid & Rust Stain Cleaner

F9 BARC was formulated with a team of scientists over a period of 6 years. Through literally 100's of reformulations, we have created a perfectly blended product capable of performing insurmountable tasks! Safe, fast, effective and versatile, F9 BARC is guaranteed to remove concrete rust, fertilizer and orange battery stains better than any other product!

#### ADVANTAGES:

- Cleans every type of rust stain
- Works on almost every surface
- Easy to use, quick results

#### IDEAL FOR:

- HEAVY RUST STAINS
- FERTILIZER STAINS
- SNOW PLOW BLADE RUST STAINS
- BATTERY ACID STAINS
- IRRIGATION RUST STAINS and much more!

#### AVAILABLE IN:

1 gal, 4 gal case, 5 gal pail, 55 gal drum, 275 gal tote

## F9 GROUNDSKEEPER™

### Concrete Maintenance Cleaner

F9 Groundskeeper makes concrete absolutely "POP". It is used when topical oil stains have been pre-cleaned and the stains are actually at or beneath the surface of the concrete. Great for commercial properties, restaurant entrances and high traffic areas. Your customers will be telling you they have never seen their concrete so clean!

#### ADVANTAGES:

- Excellent on tire marks
- Removes heavy foot traffic stains
- Keeps concrete cleaner longer

#### IDEAL FOR:

- SOILS
- TIRE MARKS
- ENTRANCES & EXITS
- HIGH TRAFFIC AREAS
- MAINTENANCE CLEANING and much more!

#### AVAILABLE IN:

1 gal, 4 gal case, 5 gal pail, 55 gal drum, 275 gal tote
